

BA Production Technology and Management Programme Costs

Undergraduate Programmes within the School of Drama, Dance, Production and Film have a range of associated costs related to the specific activities required and advised by the programme team.

In order to ensure fairness and parity of experience in relation to certain core programme activities a one-off payment to cover a proportion of necessary costs is required of the student at matriculation.

Please see the table below which details additional costs to assist with budgeting:

BA Production Technology and Management	Item	Cost (approx.)	Occurrence
	One off payment (specialist PPE, consumables, tool replacement)	£375	Paid at matriculation
	Laptop with webcam and headphones	£500-£1000	Required for some classes, meetings and production work
	Student membership or union/association	£50	Annually (not compulsory)
